CLIENT'S CHALLENGES

Our global logistics client faced challenges in recruitment due to their fluctuating hiring needs and limited HR resources. They don't have enough time to dedicate resources to make the recruitment process more effective due to their high volume of hiring needs in their growing organization.

As a result, they had high recruitment costs, longer time-to-hire, and difficulty in finding the right talent for their organization. These challenges impacted their ability to meet business objectives and deliver results, prompting them to seek out solutions to optimize their recruitment process.

SOLUTION

What We Did?

- ✓ 1 dedicated Uplift RPO recruiter assigned for 1 year
- ✓ Reached over **1000** potential candidates
- ✓ Filled **55+** positions in Commercial, IT and HR successfully!

BENEFITS

Improved Quality of Hires

We improve the quality of hires through technology and data-driven processes, while also providing assessments and pre-screening services to ensure the most suitable candidates move forward in the hiring process fast.

Increased Efficiency and Cost Savings

Outsourcing recruitment to Uplift saves time and money by reducing the workload of internal HR teams. We can manage the entire recruitment process and leverage economies of scale to reduce recruitment costs.

Scalability and Flexibility

We offer flexible recruitment solutions that can quickly adapt to changing demands, which is particularly beneficial for companies with seasonal or unpredictable recruitment needs. They also provide expertise in recruiting for niche roles or hard-to-fill positions, ensuring access to the right talent to drive growth and success.
